image : captured

For instructions on how to download images from the image:captured website please see below:-

- 1 On your chosen image, click on 'Buy' in the top right corner. A drop down box will appear, click on 'Commercial download'
- 2 Move on to the next image you would like to select or if you have finished your selection, hover your cursor over 'cart' in the top right corner, a drop down will appear and select 'view cart'
- 3 Click on 'proceed to check out'
- 4 Complete the details required in the 'register and check out box' or if you prefer, click on 'checkout as guest'
- 5 Tick the box confirming you have read the license followed by 'continue to checkout'
- 6 Complete all the boxes on the 'enter your details' section and select 'continue to checkout'. A small box will flash up asking you to verify shipping. Click on 'use as is'.
- 7 Finally click on 'place order' followed by 'continue shopping' on the next screen
- 8 A notification will now be sent to image:captured to approve the order
- 9 Following approval, you will be sent a link which you click to download your images.
- 11 Save the images to your PC
- 12 Job done!
